innovation and latin
inspiration.*

WHEN DOES JORGE STARTED?

JORGE BEGAN HIS JOURNEY IN 1991, IMMIGRATING TO CALIFORNIA TO WORK AS A DISHWASHER, DRIVEN BY HIS DETERMINATION TO SUPPORT HIS FAMILY ECONOMICALLY. AFTER YEARS OF UNWAVERING DEDICATION, HE DISCOVERED A DEEP PASSION FOR THE RESTAURANT INDUSTRY.

WHAT PROPELLED HIM TO BECOME ONE OF THE MOST SIGNIFICANT INSPIRATIONS FOR THE LATIN COMMUNITY IN THE UNITED STATES?

JORGE'S INFLUENTIAL PRESENCE WITHIN THE LATIN AMERICAN COMMUNITY ELEVATED HIM TO BECOME A BEACON OF INSPIRATION IN THE USA.

Este emprendedor inmigrante desarrolló uno de los conceptos culinarios más innovadores del momento.

ENTREPRENEUR EN ESPAÑOL
De lavaplatos a reconocido restaurantero en Estados Unidos él es Mr. Tempo

From dishwasher to restaurateur, Jorge Cueva's success is no accident. With dozens of restaurants, a catering company, and a handful of food trucks on his resume that totals over 28 years in the industry, you'd think he'd be slowing down. "I am from Guadalajara, at 18 years old, I went to the United States, without papers, without language and because of my dad's age he couldn't get a job, so was the one who started working... I never imagined working in a restaurant, it was not in my plans, it happened by accident and out of necessity."

Because of his successes, he will be spreading the love nationally and internationally. More restaurants are expected to open nationally and internationally such as Guadalajara, La Paz, Tijuana, Hawaii, New York, Las Vegas, Miami, and in Universal Studios Hollywood.

PLEASE CONSIDER THE FOLLOWING RISK FACTORS BEFORE YOU BUY THIS LICENSE:

- 1 *The license agreement requires you to resolve disputes with us by mediation, arbitration or litigation only in California. Out-of-state mediation, arbitration or litigation may force you to accept a less favorable settlement for disputes. It may also cost you more to mediate, arbitrate or litigate with us in Florida than in your own state.*
- 2 *The license agreement states that California law governs the agreement, and this law may not provide the same protections and benefits as local law. You may want to compare these laws.*
- 3 *You must make royalty payments, regardless of your sales levels. Failure to make the payments may result in termination of your restaurant and loss of your investment.*
- 4 *You must maintain minimum sales performance levels. If you fail to do so, you could lose any territorial rights you are granted and/or the licensor could terminate your agreement resulting in the loss of your investment, or both.*
- 5 *If you are married, your spouse must sign a personal guarantee or other spousal consent, which makes your spouse individually liable for your financial obligations under the agreement whether or not such spouse is involved in the operation of the restaurant. This guarantee will place both your and your spouse's marital and personal assets at risk if your restaurant fails*
- 6 *There may be other risks concerning this license.*

The amounts shown are estimates only and may vary for many reasons. Your actual costs will depend on factors such as how much you follow our methods and procedures; your management skill, experience, and business acumen; local economic conditions; the prevailing wage trade; competition; and the sales level reached during the initial period. You should review these estimates carefully with an accountant or other business advisor before making any decision to buy a license.

We do not offer any direct or indirect financing for your initial investment for a restaurant. The availability and terms of financing with third-party lenders will depend on factors such as the availability of financing generally, your credit, and policies of lending institutions concerning the type of business operated.
